**Protection concepts of the world church project  
partners**

ZS.10 af / 15-50-10

Berlin, 20.07.2022

Dear Ladies and Gentlemen,

The Archdiocese of Berlin attaches great importance to the protection of children, young people and those under its protection. This is expressed, among other things, in a comprehensive prevention and protection concept as well as clear procedural steps in cases of suspicion and the involvement of independent contact persons.

We also take this responsibility seriously in our support through the World Church Fund of the archdiocese of Berlin. Financial support for world church projects such as yours is therefore only possible after confirmation of the attached declaration. Please sign and seal it and send it back to us. (via Mail) We will then arrange for the prospective payment to be made to support your project.

Yours sincerely

Fr. Manfred Kollig SSCC  
vicar general

Address of the project partner

We hereby confirm that in the context of the requested project funding for the project

---

(enter the name of the project here)
